- T-304 Brushed Stainless Steel
- WORKSTATION SINK with unique TWO-Tier track - overhanging lips on the front and back, act as a track for sliding the built-in accessories: Cutting Board and Drying Rack that slide or expand on the ledges converting your sink to a workspace in order to increase your productivity in the kitchen and streamline your workflow.
- HEAVY-DUTY BUILD: Our deep kitchen sink is made using durable T304 stainless steel that's sturdy enough to offer long term use and adds an elegant touch to your kitchen décor.
- DRYING RACK: Multi-purpose rack is perfect for rinsing and drying fruits, vegetables or dishes. It is functional and keeps the kitchen sink area looking neat, the best one of dish drainers for kitchen counter.
- DRAIN STRAINER BASKET: drain kit comes with removable deep basket with handle, protects drain pipe from damage or clogged sinks by catching any food particles or utensils that get stuck in the drain.
- SOUND DAMPENING PADS & COATING: To help you create a quiet kitchen environment insulating rubber pads are installed on the bottom to reduce the sound of water and adds another protective layer.
