

We invite you to make this your church home.

Members are accepted in the following ways:

Baptism... If you have never publicly committed your life to Christ and would desire to express your faith in Christ and be baptized by this church, you may come forward during the invitation period at the conclusion of the service.

Letter... If you are a member of a Baptist church of like faith and order and would like to join with this fellowship, come forward and we will write for your *church letter* from your previous church.

Statement... If you belong to a Baptist church of like faith and order and the record of your membership is no longer available, come forward and speak to the pastor during the invitational hymn at the conclusion of the service.
